Late yesterday afternoon a school of whales was seen off Waiiki. They moved along from Diamond Head toward the mouth of the harbor, making about the speed of the small island steamboats. Citizens Attention.

These are days of considerable anxiety and perplexity to all who have possessions or other interests in the Republic of Hawaii, and it is time that our citizens came to a mutual understanding on several important issues. The prospects for Annexation appear at present vague and indistinct, and our destiny cannot be foretold with certainty. There are those, also, who still fondly cling to the hope of a return to the old order of things, and who cannot be persuaded otherwise, yet this outlook appears far more hazy than that of Annexation even to the most hopeful disciples of the Monarchy. But, fortunately, in the midst of all this uncertainty there is solace in the fact that Buffalo Beer has come to stay and that patrons of all sorts and opinions may equally share the benefits of its invigorating and sustaining properties. We are moreover assured that this favorite brew will continue to be dispensed as heretofore at the Royal, Pacific and Cosmopolitan Saloons.
